### Text One

I enjoy eating out. I love going to Japanese restaurants! I usually eat out three or four times a week because I don't like cooking. I often take photos because of my favourite food and beautiful scenery. I seldom take photos of myself, so there's only one photo of me on my web page. I also like comics. My favourite character is Arale. She's cute, energetic and cheerful. She's sometimes quite naughty. I often use the computer to draw cartoon characters, but I never play computer games.

Do you like listening to music? Yes, I do. My favourite singer is Alicia Keys. She's kind and helpful. She does lots of charity work. (113 words)

At first sight, Stanley Cheung is an ordinary student. He is of medium height and wears glasses, but his appearance is actually different. After a terrible hill fire in Pat Sin Leng, he lost eight fingers and has burn marks on his face. However, he did not give up. He studied hard and successfully graduated from university.

I am writing an action plan because I want to be successful and selfless, like Stanley. My plan is for the next year.

I will be cheerful. I'm going to be positive about life.

I will work hard. I won't give up, even if I struggle at school. I will enjoy everything in life, both happy and sad. (115 words)

### Text Four

Long ago, there lived an emperor. He lived in a wonderful golden city. Most emperors are clever. They are good soldiers. They can ride horses and fight with swords. But this emperor was not clever. He could not ride a horse. He could not fight with a sword. He was not good at anything. But he loved nice clothes. He wanted to be the world's best-dressed emperor. He had fifty rooms filled with clothes. He changed his clothes many times each day.

One day, two men came to the city. They wanted to sell the Emperor new clothes. Unluckily they had no clothes to sell. They did not have any cloth. They did not even know how to sew. But they had an idea. (124 words)
