Title : DENNIS IN WONDERLAND

Narrator: When Dennis played msn with his friends. Suddenly, grandmother gave him something but he didn't know what it was.

Grandmother : My dear grandson, now I give you a pocket. Regardless of where you are, you have to take it by your side, it can help you. My sweet heart.

Dennis (impatiently) : What? It's just an ordinary pocket. How can it help me, grandma?

Grandmother. If it can help me, why can't it help you? Well, I think you need it. Anyway, just keep it.

Narrator: The only thing that Dennis can do is to obey his grandma. Dennis needed his friends to help him or stand by him whatever he did .Gradually, this became a habit.

Narrator: One day, Dennis went swimming with his friends. However, his friends didn't show up. He had no ideas of what he could do, so he walked alone along a river. (Sound of a river)

Dennis: Oh ! What a beautiful river! I can see the rocks under the crystallly-clear water. I feel like swimming .My friends are not here.... But this fair-weather welcomes me to do so.

Narrator: Dennis took off his clothes, got ready to swim.

Dennis: Well, where should I put this pocket? Oh, let's put it next to the rocks.

Narrator: He swam for a little while. A whirlpool took him to another place. When he woke up , he found some stair-cases. And the stairs seemed to have no ending. Suddenly a girl appeared in front of him, and really shocked him. The kind girl called Nneka was holding a magic wand.

Nneka : You are Dennis, right? .

Dennis: Yes, I am. How do you know my name ? Who are you? I have never met you before.

Narrator : Dennis stepped back a few steps. Nneka smiled.

Dennis : What's happening?

Dennis stepped back.Nneka smiled.

Nneka: Don't be afraid .I will not harm you. Anyway, I come here to help you .

Dennis: Help me? What's wrong with me now ? And why should I believe you ?

Nneka: Well it is up to you, but now I am the only people who can give you a hand .

Dennis : Ha ?

Nneka: Now you are in the virtual world ,you may come across different kinds of problems . but if you cannot overcome all of them ,you will stay here for the rest of your life.

Dennis: Are you kidding me ?

Nneka: I know you always depend on your family or friends when you face problems.You should solve them on your own now. No one can help you anymore.

Dennis : It sounds very serious. Anyway,I do not really trust you . I think it is just like a game. Take it easy.

Nneka: Your attitude is wrong. It is not only a game. In fact, it is about your life. Please take it seriously .

Dennis : OK. OK. I am listening . Now what should I do?

Nneka: Good. Now I will give you a piece of bank paper. Anyway ,it's very important to you. You should try your best to use it. Maybe it will help you to go though this virtual world and change your life.

Narrator:Dennis took the piece of paper ,and the girl disappeared.

Dennis:(confused) Is this paper important to me ? Ha. Maybe it is a joke.

Narrator: Dennis kept on walking. He went into a maze. On his way,he faced many strange things,and he felt lonely. He wanted to go back home. Nonetheless, no one could help him .

Dennis: Does it mean that I have to stay here for my rest life ? No,no... I won't do that. Help! Help! Who can help me?

Dennis:Wu wu wu.....

Narrator:As he was crying he met an angel in a white dress . She flew to him slowly. And then,she stayed in the mid air.Dennis stepped back.

Dennis : Are you going to give me something again? Who are you?

Miyuki You can called me Miyuki .

Dennis : Why do you come here? Will you take me away or help me overcome the problems?

Miyuki : My responsibility is to help you to find the right way you should go .Also I will give you some advice to help you get away from here."

Dennis :Oh,that means you will help me .I was helpless just now. I cannot find the

way out and I don't know what to do.

Miyuki :No,Dennis.You should overcome the difficulties by yourself and I cannot help you.Whether you can get out of this maze ? It is your choice.

Dennis :I know you can help me .Please show me the way out of this maze .

Narrator:At that moment, another spirit appeared . He flew to Dennis, and stared at d Dennis with a serious expression .

Kala : Dennis , don't listen to her ."

Dennis : Who are you ? Why do you know my name? Are you also going to help me ? Great!

Kala : My name is Kala . In fact you have known me for a long time. I always stay in you mind

Dennis :What? You are my guarding angels ? Show me the way out of this maze?"

Kala :Dennis,listen, you can stay here . There are all kinds of things for you .All of them belong to you. It looks like your small kingdom . You can live here happily ever after."

Dennis : Really? They all belong to me ! Oh ,it looks like my paradise. Yes ,if I stay there ,I will be happy and I do not need to face any problems.

Kala :You are right ! There are different kinds of things that you want . You can make yourself happy without facing any difficulties.

Miyuki :Dennis, do not listen to her . She is wrong. Life must come along with difficulties ,and we should overcome them by ourselves. Our life is full of difficulties. Without them, our life is incomplete and you will not be happy.You should try your best to overcome all the difficulties. Dennis,you should go back to your family and friends in your real world. That is the way you should go . Come on, leave here quickly.Get up to fight against all those difficulties.

Kala :Dennis , she's jealous you. This is you own paradise and you can do whatever you want.

Dennis: (Confused) Stop it! Go away!

Kala :Wow,Miyuki has left already . Well, Dennis,please stay here. You are the king of the small kingdom. Congratulations!"

Dennis : If I stay here I will lose myself . If not,I have to face all difficulties . Can I handle it? Anyway Kala ,you are right,I will listen to you.

Kala: Right choice Dennis,you won't regret..

Narrator: Nneka's words suddenly appeared in Dennis' mind ,now you are in the virtual world ,but if you cannot overcome all the problems ,you will stay here for your rest of your life. I know you always depended on your family or friends when

you faced problems. You should depend on your own now. However, no one can help you anymore.

Dennis :Sorry, I cannot stay here. I must go back to my real world. I have to live a meaningful life. That is what I want . You are just my evil spirit ,and you cannot help me anymore. In this virtual world , I can only depend on you. And I will try my best to overcome all the difficulties . Now I am not afraid of anymore.

Kala :You are the most stupid guy in the world.

Narrator:However, Dennis decided to find the way out by himself . He vowed that he would hold his life in his hands ,and would not depend on the other people .

Narrator: Dennis tried his best to face all the difficulites , no matter how difficult they are, he would not give up . Finally he got out of the maze and came back to the real world .
