

Morning sharing 18th September, 2014.

by 5A Nicole Chan

Good morning, Principal, teachers and fellow students.

I am Nicole Chan from 5A. Today I am going to talk about sportsmanship. Do you know that the Summer Youth Olympic Games was just over in August? All the participants showed good sportsmanship in the Games.

Do you know what good sportsmanship is? In general, sportsmanship refers to virtues, such as fairness, self-control and persistence. It has been associated with the interpersonal concept of treating others and being treated fairly and respect for both authority and opponents.

It's all part of good sportsmanship. However, sportsmanship is not limited to sports because sportsmanship is an attitude and it can have a positive influence on everyone around you. So we should apply the spirit of sportsmanship in our daily life.

For example, Form 6 students are busy preparing for the DSE exam. Some of them may feel confused. If they apply the virtues of sportsmanship in their studies, they will not give up easily, even though they feel stressed out.

The annual Sports Day will be held in December. It is a chance for you to show your good sportsmanship.

This is the end of my sharing. Thank you for your listening.
