Text 1

I enjoy eating out. I love going to Japanese restaurants! I usually eat out three or four times a week because I don't like cooking. I often take photos of my favourite food and beautiful scenery. I seldom take photos of myself, so there's only one photo of me on my web page. I also like comics. My favourite character is Arale. She's cute, energetic and cheerful. She's sometimes quite naughty. I often use the computer to draw cartoon characters, but I never play computer games.

Do I like listening to music? Yes I do. My favourite singer is Alicia Keys. She's kind and helpful. She does lots of charity work. My mum also likes helping people. She's my role model.

Text 2

Dear Dr Lee,

I'm confused and worried about the changes I'm going through. I'm beginning to have facial hair. Should I start shaving now, or should I wait? My voice is changing too. It goes up and down in pitch as I talk. Sometimes, I can't control it.

One thing that is not changing is my height. The other boys in my class call me names like 'Shorty' and make fun of me. Will I ever grow?

I'm also worried about body odour. I didn't have this problem before, and I feel really bad about it. I bathe regularly, but that doesn't seem to help. Could you give me some advice please?

Yours sincerely,

Ricky
