Harry Potter lives in a world of dragons, ghosts, giants and werewolves. We are used to seeing magic and mystery in these films.

The film has plenty of the fantastic special effects that we're used to seeing in the Harry Potter series, but in my opinion, it's the story that makes it so enjoyable. There are some exciting plot twists and a few big surprises. You won't be sure what to believe or who to trust!

You should see this film if you're a fan of fantasy and adventure. If you like the Harry Potter series, you're sure to love this film!

Once there lived an understanding father and his two sons. One day, this younger son said to his father, “Father, could you give me my share of your property?” The father thought for a while and divided the money between his two sons.

The younger son moved to another country and spent all his money like water. Soon he had nowhere to live and nothing to eat. He decided to go home and apologise to his father.

When he arrived home, his father threw his arms around him. He brought the best cloak and put it on his son, whose clothes were ragged.

Text 3

The younger son said, "Father, I don't deserve your kindness." But the father, who was forgiving, said to him, "Let's have a party and celebrate!"

The older son, who was coming home from the fields, heard music. He was annoyed when he saw what was going on. He said to his father, "I work very hard for you and I'm always obedient, yet you never throw a party for me. Now you're having a party for my brother who has spent all your money!"

"Don't be upset," said the father, "I love you just as much as I love your brother."

After a pilot drug-testing scheme in Tai Po, an extended scheme soon begins in other districts. This follows a number of cases involving youngsters and banned substances. Last week, a passer-by found three secondary school students unconscious in a part after taking a drug overdose. Another reported case involved two 15 year old girls who were complaining of feeling dazed while leaving house party. Just yesterday, a teacher caught four female students taking ketamine after school.

The four students involved in the ketamine incident are starting counselling sessions next month. All are remorseful. Drug abuse is a growing problem in Hong Kong.

Text 5

When I was a student, I wasn't happy to be at school. In fact, I was expelled from school in Secondary 4 and became a drug addict. To get money to buy drugs I stole my parents' belongings and sold them. To make things worse, I also got addicted to gambling and lost over HK\$1 million in Macau. Eventually I became a drug dealer and my parents threw me out of the house. I was so angry that I tried to slash my father with a knife. In the end, health workers sent me to a psychiatric centre for treatment. There, I managed to kick my addiction.
